

Hi Kurt *el Rayo de Dios*

**Lucha Libre Galavision card**

This card was held Friday, April 19, 1991, at 8:30 pm local time (7:30 pm PDT) at la Arena Coliseo, which is located at 77 Peru, Colonia Anahuac, Mexico City, Distrito Federal, Mexico. This card was aired: Sunday, April 21, 1991, at 4:00 pm PDT (6:00 pm CDT) on The Galavision Cable Network.

**Results**

2. **The Segunda:** "las Saetas del Cuadrilatero" (Aguila Solitaria, Ciclon Ramirez, and el Pantera II) defeated Comando Ruso, el Espectro junior, and el Espectro de Ultratumba two falls to zero. \*\* Ciclon hurt his left knee on his next to last dive of the third fall and Espectro junior hurt his right wrist big-time catching at the end.
3. **The Tercera:** Eddie Guerrero, Kato Kung Lee I, and el Antifaz defeated Javier "el Gusano" Llanes, Kung Fu, and el Supremo I two falls to one. The real interesting thing about this match was the legit behind-the-scenes feud between the Guerrero family (especially Mando) and the Llanes family, dating back to their fathers' feud. Javier deliberately moved way out of the way when Eddy did his third-fall over the top rope dive and Eddy fell face first onto the wood floor. Ouch. \* 1/2
4. **Semifinal:** el Solar I, el Volador, and el Angel Azteca defeated Jerry Estrada, el Egipcio, and Gargola el Sultan two falls to one via disqualification in the third fall when Egipcio pulled off Solar's mask. Real cheap finish.\*
5. **Main Event:** Konnan el Barbaro, Octagon, and la Fiera defeated el Satanico, Mascara Ano Dos Mil, and Pierroth junior two falls to none when as Konnan was ripping Mascara Ano Dos Mil's mask Cien Caras in street clothes came in to save his brother. I have never ever seen nor heard of this before, an outside interference save in Mexico; it'll make Konnan vs. Hermanos Dinamita one of the top two or three feuds in all of Mexico though. The match? I thought everybody stunk but Octagon and Fiera. \* Konnan had three screaming WWF-style interviews, too. By the way, I am 99 99/100% sure the reason they wrote Cien Caras' script this way is that the EMLL wanted to bring him back as a heel (and he had been getting a face reaction since missing all this time due to his injury) and this script allows his return as a rudo like 2000...

**Other things I learned:**

1. el Egipcio (Luis Hernandez) defeated el Rayo de Jalisco junior (Maximino Linares junior) on 4/13/91 at la Arena Puebla in Puebla, Puebla, Mexico, to win the Mexican National Heavyweight Title. Big upset. Plus Rayo no-showed the semifinal tonight. Maybe he's hurt or being punished..
2. el Signo (real name ?) retained the UWA light heavyweight title 4/12/91 by defeating el Villano IV (Tomas Diaz).
3. Apparently el Angel Blanco (Jose Vargas) passed away very recently (I didn't catch when but maybe the past 10 days).
